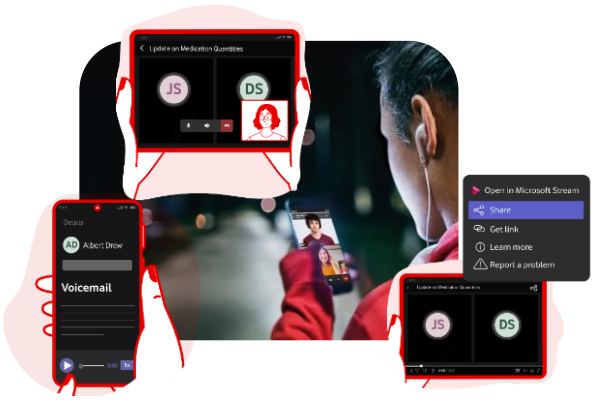
Vodafone Business Mobile for Microsoft Teams Phone

Bring your communication and collaboration together like never before.
Your Teams: Secure. Connected. Productive. Mobile.

Vodafone Business Mobile for Microsoft Teams Phone brings mobile calling straight into Microsoft Teams. This means you have one business number and one communication and collaboration app that works across all your devices.

- Replace landline and mobile connectivity into an **all-in-one** mobile experience with a single number that works across devices.
- Support hybrid working by enabling employees to **remain contactable across devices**, and from wherever they choose to work with useful features like unified presence (showing if you're on a call whether that's on your mobile or Teams).
- Add mobile numbers and services to your Microsoft Teams collaboration suite **quickly and simply.**
- Display **one consistent business name and mobile number** when making calls so customers know it's you.



Don't pay twice
